MEMORANDUM FOR COMMANDERS, MAJOR SUBORDINATE COMMANDS

SUBJECT: Request for Status of Recreational Roads

1. The Federal Highway Administration will be funding a program to repair and rehabilitate recreational roads. In order for Federal agencies to obtain this funding, a management system detailing the current condition of recreational roads must be developed. The first step in that process is to collect data related to the current status of recreational roads.
2. Please solicit input from your district and project staffs to complete the enclosed table (Encl 1) detailing the current condition of recreational roads in your Major Subordinate Command. Each district shall forward their response to their Major Subordinate Command to consolidate and forward to HQUSACE not later than 30 April 2004.
3. For information gathering purposes, a recreational road can be defined as "a public road that provides access to a museum, lake, reservoir, visitor center, gateway to a major wilderness area, public use area, or a recreational or historic site; and for which title is vested in the Federal Government."
4. Major Subordinate Commanders should consolidate and forward responses to Mr. George Tabb, Headquarters, U.S. Army Corps of Engineers, 441 G Street, NW, CECW-CO, Washington, DC 20314-1000.

FOR THE COMMANDER:
