

Excerpt from Louisville District CGA Contract:

Additional Information Required for NCIC Background Checks. The successful offeror **only** will also be required to provide the name, date of birth, and Social Security Number of all partners in the venture and all other individuals who will perform attendant duties at the site. This information will be provided during the pre-award process, and is necessary to conduct a background check through the NCIC to ensure that potential attendants possess business integrity as an appropriate safeguard for the annual volume of user fees collected. After award of contract, the successful offeror may substitute personnel for that shown on the list upon approval of the COR. The name, date of birth, and Social Security Number of all new attendants must be provided to the COR in a timely manner so that a NCIC background check can be conducted prior to their beginning fee collection duties.
