

Flotation Certification Card

If a person is caught wearing their life jacket they get issued a flotation certification card.

If a person gets caught wearing their life jacket and already has a flotation certification card then they get some kind of prize.

The 3" X 4" laminating sheets are available from *GSA*, product number 9330-01-358-4393.

Ranger Willie B. Safe
and Corkey want you
to remember:

**"YOU LOOK
BEST IN YOUR
LIFE VEST!"**

Thumbs Up to Safety!

You were issued this certificate because you were playing it safe by wearing your life jacket. When you are around the water you should always swim with a buddy, look before you leap into unknown water, know your limits, and wear your life jacket.
