

PFD Song

-by the Vessel People

(Sung to tune of YMCA - lyrics by Mark Brown)

Young man, there's no need to drown
I said young man, you can float all around
I said young man, when your boat goes down
There's no need to be unhappy

Young man, there's something you should know
I said young man, when you're out on a boat
You can be safe, and I'm sure you will find
Many ways to have a good time

(Chorus)

It's fun to wear your P-F-D
It's fun to wear your P-F-D
It has everything to keep you afloat
Always wear it when you're out on a boat

Young man, are you listening to me
I said young man, wear your PFD
I said young man, you can stay alive
But you've got to wear that one thing

No man, should drown himself
I said young man, don't leave it on the shelf
And just wear it, your PFD
And I'm sure you'll be happy

Chorus

Young man, they come in all types
I said, I don't want to hear your gripes
Just wear it, and you will survive
In the water, and that's no jive

One day, a "boat cop" boarded me
And said I hope, your access is easy
To a thing that's, called a PFD
If not then you can't be underway

It's fun to wear my P-F-D
It's fun to wear my P-F-D
You can keep yourself safe
You can have a big thrill
You can do whatever you feel
