MEMORANDUM FOR COMMANDERS, MAJOR SUBORDINATE COMMANDS;
CHIEFS, OPERATIONS DIVISIONS

SUBJECT: Natural Resource Management Gateway Initiative – July-August 2007 Content
Development Workshops

1. Reference Memorandum, CECW-ON, 20 September 2000, subject: Natural Resource Management (NRM) Website Development Initiative. This initiative has been renamed the NRM Gateway Initiative, and the website was launched in April 2001 at this address: <http://corpslakes.usace.army.mil/>
2. The development and deployment of the various components of the NRM Gateway continue to be phased-in over time and are being facilitated with a series of content development workshops described in the above reference. Two additional workshops are scheduled for FY 2007 in Keystone, CO, concurrent with the RLAT/SAT meeting. Logistical information for the workshop attendees will be posted at <http://corpslakes.usace.army.mil/employees/gateway/workshop.html>. The selections below have been made contingent upon final approval of the nominee's supervisor. All costs for their involvement will remain the responsibility of the local duty station.

a. Recreation Component/OPM CoP Workshop, 30 July - 2 August. This workshop will focus for two days on recreation component items to include the prototype RecStatus annual business line report. This group will also continue development of the OPM CoP area of the Gateway. Invitees:

Kathy Carlson, SWT
Jonathan Davis, SAD
Susan Shampine, SPA

b. Environmental Stewardship Component Workshop, 31 July – 2 August. This workshop will focus on developing forestry and GIS pages. Invitees:

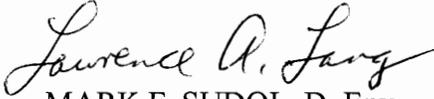

Jeffrey Brooks, SAS
