CAREER ASSIGNMENT PROGRAM  
Operations - Natural Resources Management Community of Practice  
HQUSACE

The Career Assignment Program (CAP) within the HQUSACE Operations - Natural Resources Management Community of Practice (NRM CoP) is designed to provide opportunities for career assignments at the GS-11-14 staff or Section Chief level. The objective of this program is to place at least two GS-11-14 special assignees per year in the NRM CoP. On rare occasions, consideration will be given to GS-09 level Natural Resources Management employees who show exceptional potential and are fully supported by the district and division.

NRM CoP Function

The function of the NRM CoP is to provide policy and guidance to FOA on management of recreation, natural and cultural resources, and environmental compliance at water resource development projects.

Participants in the CAP may be involved in all facets of the NRM CoP functions including budgeting, park ranger programs, management of natural resources, real estate actions, mobilization, training, policy review and development, and research. Assignments will be determined by the NRM CoP Leader based on anticipated workload.

Assignees may be involved in drafting policy, developing or reviewing regulations, preparing executive briefing and information papers, participating in interagency coordination, and preparing responses to Congressional, White House, or public queries relating to the Corps Natural Resources Management Program. While completing some staff actions, the assignee will also be afforded the opportunity to observe the functions of other elements and agencies in the Washington, D.C. area.

Nomination Procedure

Division commanders will forward nominations for only qualifying individuals who perform well consistently and exhibit clear leadership potential. A forwarded nomination will represent the MSC's assurance that the individual is capable of performing assigned duties in an acceptable manner and will represent the Corps well as representatives of the agency. Division commanders will furnish the following information for each nominee to the NRM CoP Leader (Mr. George Tabb) at HQUSACE, CECW-CO.
