

## **The Young And The Reckless**

**Topics:** Rules of the Road and Water, Boating, Life Jackets

**Target Age** High School Students

**Description:**

Driving a boat versus driving a car ... the competition. When Lewis and Clark High School drivers education teacher announces his latest class assignment, a more surprising challenge emerges between two students that dramatically raises the stakes for both students. Ashley is certain her dance routine approach is a sure winner. Russell focuses on using demonstrations and interviews captured on video to the win the votes. Here are some important safety facts Ashley and Russell learn along the way, Wear your seatbelt and life jacket; Don't drive recklessly on the road or on the water; Don't drink and drive; and Follow the rules of the road and water. This video is available from the USACE National Water Safety Program.
