The Lessee shall require the insurance company or companies to furnish the Lessor a copy of the policy or policies, or if acceptable to the Lessor, certificates of insurance evidencing the purchase of such insurance. The Lessor shall have the right to review and revise the amount of minimum liability insurance required.

b. The insurance policy or policies shall be of comprehensive form of contract and shall specifically provide protection appropriate for the types of facilities, services and activities involved. The Lessee shall require that the insurance company give the Lessor thirty (30) days written notice of any cancellation or change in such insurance. The Lessor may require closure of any or all of the Premises during any period for which the Lessee does not have the required insurance coverage.

c. As to those structures and improvements on the Premises constructed by or owned by the United States, for such periods as the Lessee is in possession of the Premises pursuant to the terms and conditions of this lease, the Lessee shall procure and maintain, at the Lessee's cost, a standard fire and extended coverage insurance policy or policies on the leased Premises to the full insurable value thereof. The Lessee shall procure such insurance from a reputable company or companies. The insurance policy shall provide that in the event of loss thereunder, the proceeds of the policy or policies, at the election of the United States, shall be payable to the Lessee to be used solely for the repair, restoration or replacement of the property damaged or destroyed, and any balance of the proceeds not required for such repair, restoration or replacement shall be paid to the United States. If the United States does not elect by notice in writing to the insurer within sixty (60) days after the damage or destruction occurs to have the proceeds paid to the Lessee for the purpose hereinabove set forth, then such proceeds shall be paid to the United States, provided however that the insurer, after payment of any proceeds to the Lessee in accordance with the provision of the policy or policies, shall have no obligation or liability with respect to the use or disposition of the proceeds by the Lessee. Nothing herein contained shall be construed as an obligation upon the United States to repair, restore or replace the leased Premises or any part thereof.

#### **14. INDEMNITY**

The United States shall not be responsible for damages to property or injuries to persons which may arise from or be incident to the exercise of the privileges herein granted, or for damages to the property of the Lessee, or for damages to the property or injuries to the person of the Lessee's officers, agents or employees or others who may be on the Premises at their invitation or the invitation of any one of them, and the Lessee shall hold the United States harmless from any and all such claims not including damages due to the fault or negligence of the United States or its contractors.

#### **15. RESTORATION**

On or before the expiration of this lease or its termination by the Lessee, the Lessee shall vacate the Premises, remove the property of the Lessee, and restore the Premises to a condition satisfactory to the Lessor. If, however, this lease is revoked, the Lessee shall vacate the Premises, remove said property, and restore the Premises to the aforesaid condition within such time as the Lessor may designate. In either event, if the Lessee shall fail or neglect to remove said property and restore the Premises, then, at the option of the Lessor, said property shall either become the property of the United States without compensation therefore, or the Lessor may cause the property to be removed and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work. The Lessee shall also pay the United States on demand any sum which may be expended by the United States after the expiration, revocation or termination of this lease in restoring the Premises.

**16. NON-DISCRIMINATION**

a. The Lessee shall not discriminate against any person or persons or exclude them from participation in the Lessee's operations, programs or activities conducted on the leased Premises, because of race, color, religion, sex, age, handicap, or national origin. The Lessee will comply with the Americans with Disabilities Act and attendant Americans with Disabilities Act Accessibility Guidelines (ADAAG) published by the Architectural and Transportation Barriers Compliance Board. The Lessee will comply with Department of Justice rules on non-discrimination.

b. The Lessee, by acceptance of this lease, is receiving a type of Federal assistance and, therefore, hereby gives assurance that it will comply with the provisions of Title VI of the Civil Rights Act of 1964, as amended (42 USC § 2000d); the Age Discrimination Act of 1975 (42 USC § 6102); the Rehabilitation Act of 1973, as amended (29 USC § 794); and all requirements imposed by or pursuant to the Directive of the Department of Defense (32 CFR Part 195) issued as Department of Defense Directives 5500.11 and 1020.1, and Army Regulation 600-7. This assurance shall be binding on the Lessee, its agents, successors, transferees, sublessees and assignees.

**17. SUBJECT TO EASEMENTS**

This lease is subject to all existing easements, or those subsequently granted, as well as established access routes for roadways and utilities located, or to be located, on the Premises, provided that the proposed grant of any new easement or route will be coordinated with the Lessee, and the easements will not be granted which will, in the opinion of the Lessor, interfere with the use of the Premises by the Lessee.

**18. SUBJECT TO MINERAL INTERESTS**

This lease is subject to all outstanding mineral interests. As to federally-owned mineral interests, it is understood that they may be included in present or future mineral leases issued by the Bureau of Land Management (BLM) which has responsibility for mineral development on federal lands. The Lessor will provide lease stipulations to BLM for inclusion in said mineral leases that are designated to protect the Premises from activities that would interfere with the Lessee's operations or would be contrary to local law.

**19. COMPLIANCE, CLOSURE, REVOCATION AND RELINQUISHMENT**

a. The Lessee and/or any sublessees or licensees are charged at all times with full knowledge of all the limitations and requirements of this lease, and the necessity for correction of deficiencies, and with compliance with reasonable requests by the Lessor. This lease may be revoked in the event the Lessee violates any of its terms and conditions and continues and persists in such non-compliance or fails to obtain correction of deficiencies by sublessees or licensees. The Lessee will be notified of any non-compliance, which notice shall be in writing or shall be confirmed in writing, giving a period of time in which to correct the non-compliance. Failure to satisfactorily correct any substantial or persistent non-compliance within the specified

time is grounds for closure of all or part of the Premises, temporary suspension of operations, or revocation of the lease, after notice in writing of such intent. Future requests by the Lessee to extend the lease, expand the Premises, modify authorized activities, or assign the lease shall take into consideration the Lessee's past performance and compliance with the lease terms.

b. This lease may be relinquished by the Lessee by giving Ninety (90) days prior written notice to the Lessor in the manner prescribed in the condition on **NOTICES**.

## **20. HEALTH AND SAFETY**

a. The Lessee shall keep the Premises in good order and in a clean, safe condition by and at the expense of the Lessee.

b. In addition to the right of revocation for non-compliance previously stated, the Lessor, upon discovery of any hazardous condition on the Premises that present an immediate threat to health and/or danger to life of property, will so notify the Lessee and will require that the affected part or all of the Premises be closed to the public until such condition is corrected and the danger to the public eliminated. If the condition is not corrected the Lessor will have the option to (1) correct the hazardous condition and collect the cost of repairs from the Lessee, or (2) revoke the lease. The Lessee shall have no claim for damages against the United States, or any officer, agent or employee thereof on account of action pursuant to this condition.

## **21. PUBLIC USE**

The Lessee shall not forbid the full use by the public of the water areas of the project, subject however to the authority and responsibility of the Lessee to carry out its responsibilities under this lease to manage the Premises and provide safety and security to the facility users.

## **22. PROHIBITED USES**

a. The Lessees shall not permit gambling on the Premises or install or operate, or permit to be installed or operated thereon, any device which is illegal; or use the Premises or permit them to be used for any illegal business or purpose. There shall not be conducted on or permitted upon the Premises any activity which would constitute a nuisance. As an exception, some games of chance, such as raffles, games and sporting events, may be conducted by the Lessee if permissible by state and local law. Any request to conduct a game of chance must be submitted in writing to the Lessor.

b. In accordance with state and local laws and regulations, the Lessee may sell, store, or dispense, or permit the sale, storage, or dispensing of beer, malt beverages, light wines or other intoxicating beverages on the Premises in those facilities where such service is customarily found. Bar facilities will only be permitted if offered in connection with other approved activities. Advertising of such beverages outside of buildings is not permitted. The Lessee may salvage fallen or dead timber on the leased Premises for use as firewood only. Except for timber salvaged by the Lessee when in the way of construction of improvements or other facilities, all sales of forest products will be conducted by the United States and the proceeds therefrom shall not be available to the Lessee under the provisions of this lease

### 24. DISPUTE CLAUSE

b. A claim by the Lessee shall be made in writing and submitted to the Lessor for a written decision in conformance with the CDA.

c. The Parties shall proceed diligently with performance of this Lease, pending final resolution of any request for relief, claim, appeal, or action arising under this Lease.

### 25. ENVIRONMENTAL PROTECTION

a. The Lessee, including the Lessee's subtenants/successors or assigns, employees, agents, contractors and invitees of any of them, will use all reasonable means available to protect the environmental and natural resources and where damage nonetheless occurs from activities of the Lessee, including the Lessee's subtenant/successors or assigns, employees, agents, contractors and invitees of any of them, the Lessee shall be liable to restore the damaged resources.

The disposal of any toxic or hazardous materials within the Premises is specifically prohibited.

c. The term "Environmental Law", as used herein, means any statute, law, act, ordinance, rule, regulation, order, decree, or ruling of any Federal, State and/or local governmental, quasi-governmental, administrative or judicial body, agency, board, commission or other authority relating to the protection of health and/or the environment or otherwise regulating and/or restricting the use, storage, disposal, treatment, handling, release, and/or transportation of Hazardous Substances, including, without limitation, the Comprehensive Environmental Response Compensation and Liability Act of 1980, the Resource Conservation and Recovery

Such regulations, conditions, or instructions in effect or prescribed by the Environmental Protection Agency, or any Federal, state, interstate or local governmental agency, are hereby made a condition of this Lease.

d. The Lessee is required to participate in all aspects of an Environmental Review Guide for Operations (ERGO) assessment, including but not limited to pre-briefings, the Outgrant Pre Visit Questionnaire, the assessment, exit briefings, etc., of their outgranted area. The Lessee shall promptly initiate and complete all necessary corrective actions, as determined and directed by the Lessor in order to fully resolve those findings contained in Environmental Assessment Reports that the District Engineer determines must be implemented. Failure of the Lessee to take the required corrective action(s) identified in the ERGO assessments may be referred to the appropriate enforcement agency who will render final determinations with respect to compliance with relevant laws or regulations. Continued non-compliance by the Lessee may also serve as grounds for revocation of this Lease.

Services for waste disposal, including sewage pumpout of watercraft, shall be provided by the Lessee's as appropriate. ## **26. ENVIRONMENTAL ASSESSMENT**

An environmental condition/assessment of the property documenting the known history of the property with regard to the storage, release or disposal of hazardous substances thereon, is attached hereto and made a part hereof as Exhibit(s) "H". Upon expiration, revocation or relinquishment of this Lease another environmental condition/assessment of the property shall be prepared which will document the environmental condition of the property at that time. A comparison of the two assessments will assist the Lessor in determining any environmental restoration requirements. Any such requirements will be completed by the Lessee in accordance with the condition on RESTORATION.

## **27. HISTORIC PRESERVATION**

Except as may be otherwise provided in the Agreement, the Lessee shall not remove or disturb, or cause or permit to be removed or disturbed, any historical, archaeological, architectural or other cultural artifacts, relics, vestige, remains or objects of antiquity. In the

The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees established commercial or selling agencies maintained by the Lessee for the purpose of securing business. This lease is effective only insofar as the rights of the United States in the Premises are concerned; and the Lessee shall obtain any permit or license which may be required by Federal, state or local statute in connection with the use of the Premises. It is understood that granting of this lease does not preclude the necessity of obtaining any Department of the Army permit for
