

Outgrant Workshop ERGO Assessment

J. STROM THURMOND PROJECT

ERGO Assessment

1
1/13/2003

ERGO

- ✍ Environmental Review Guide for Operations
- ✍ Environmental Audit
- ✍ Occurs every five years

ERGO Assessment

2
1/13/2003

ERGO Process

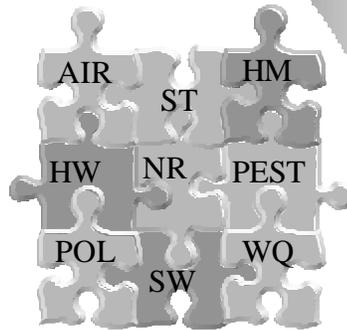

- ✍ Pre-assessment activities
- ✍ Assessment activities
- ✍ Post-assessment activities – findings & corrective actions

ERGO - 13 Environmental Topics:

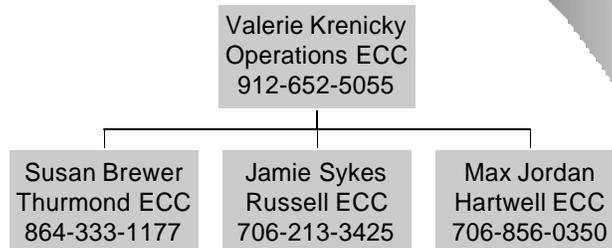

- ✍ Air
- ✍ Cultural Resources
- ✍ Hazardous Materials
- ✍ Natural Resources
- ✍ Other – Pollution Prevention
- ✍ Pesticide
- ✍ Petroleum, Oil and Lubricant (POL)
- ✍ Solid Waste
- ✍ Storage Tank
- ✍ Toxic Substances – PCBs; Asbestos; Radon; Lead-based paint
- ✍ Wastewater
- ✍ Water Quality

Overview

ERGO = ENVIRONMENTAL COMPLIANCE

ERGO TEAM consists of:

Purpose of Workshop

- ✍ Review findings that are “common”
- ✍ Provide additional information

COMMON FINDINGS

Air

- ✍ open burning of non-plant material

Hazardous Materials:

- ✍ MSDSs
- ✍ EPCRA
- ✍ Incompatible storage
- ✍ Flammable storage cabinets
- ✍ Storage of compressed gas cylinders

COMMON FINDINGS

Petroleum, Oil & Lubricants:

- ✘ Spill response plan
- ✘ Spill response training
- ✘ Oily rag disposal

Solid Waste:

- ✘ Bulk waste
- ✘ Drain plugs missing from dumpsters

COMMON FINDINGS

Storage Tanks:

- ✘ Inspection of UST cathodic protection system
- ✘ Current registration not available
- ✘ Release detection system

Waste Water:

- ✘ NPDES permit
- ✘ Soil staining
- ✘ Sink discharges directly onto ground and/or into water

COMMON FINDINGS

WATER QUALITY:

- ✍ Permit requirements for drinking water

Where to Get More Information

- ✍ Contact ECCs
- ✍ Handouts
- ✍ Websites
