MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Standard Designs For Recreational Structures

1. The purpose of this memorandum is to provide copies of the Standard Designs for Recreational Structures brochure to be used in conjunction with EM 1110-1-400, Recreation Planning and Design Criteria, dated 31 July 1987.
2. These standard designs have been developed in response to a need for consistent design quality in recreation areas, sites and facilities. This brochure is to be used by local designers in the development of safe, attractive, efficient and cost effective recreation facilities that are accessible and enjoyable to the visiting public. The designs are intended to be used as guidelines in developing facilities that are responsive to specific sites and situations. The designs delineate space allocations, functional layouts and configurations of facilities, but serve only as guides in developing specific designs and construction drawings.
3. Additional copies of the brochure can be obtained from the U.S. Army Engineer Division, Huntsville, ATTN: CEHND-ED-ES-1, P.O. Box 1600, Huntsville, Alabama 35807-4301
