

## The Matrix: All Safety Related Signs found in USACE Sign Program

The *Danger*, *Caution*, and *Warning* safety sign legends highlighted below in red or yellow have been approved by HQUSACE, Office of Counsel, and cannot be changed. If the wording of a safety sign is not appropriate to the condition being signed, consult the district Sign Program Manager. Requests for modified sign legends or a new sign should be made using the procedure and worksheet on sign manual page 1-13. Submit text for *Notice*, *Restricted*, or *Safety* signs to the District Sign Manager for approval.
