Dear Ms. Quackenbush:

Enclosed are two copies for renewal of the Cooperative Agreement between the U.S. Army Corps of Engineers, Portland District, and the Northwest Interpretive Association.

This Cooperative Agreement provides for interpretive services at the Bonneville Lock and Dam Bradford Island Visitor Center and renews the April 17, 1990 Agreement which expired earlier this year.

Please sign and date both copies and return one to us for execution. The return copy should be sent to the attention of Mr. Kevin Paff, CENWP-OP-SR. If you have any questions, please contact Mr. Paff at (503) 808-4327.

Thank you for your attention to this matter. We look forward to your continued support in providing interpretive services at the Bradford Island Visitor Center.

Sincerely,

/Signed/

Randall J. Butler
Colonel, Corps of Engineers
District Engineer
